PROFESSIONAL SUMMARY

A motivated and detail-oriented final-year Electronics and Communication Engineering student with a CGPA of **7.42** from Vijaya Vittala Institute of Technology. Passionate about embedded systems with strong problem-solving, communication, and analytical skills. Eager to apply my technical knowledge, continuously learn new technologies, and contribute effectively to the growth of an organization.

EDUCATION

Bachelor of Engineering (ECE)

Vijaya Vittala Institute of Technology

CGPA: 7.42

TECHNICAL SKILLS

- C Programming
- Python
- Embedded Systems
- MATLAB
- MS Excel
- Deep Learning
- Data Entry
- Machine Learning

ACADEMIC PROJECT

IoT-Based Real-Time Accident and Flood Detection System

- Designed and developed an IoT-based system to detect road accidents and flood conditions in real time using sensors and a microcontroller.
- Provides instant alerts during emergency situations, helping improve response time and public safety.
- Gained practical experience in embedded systems, sensor interfacing, and real-time monitoring.

LANGUAGES KNOWN

English, Tamil, Kannada, Hindi

CERTIFICATIONS

- **Data Entry** | Mind Luster | 22/7/2026
- **Embedded Systems Technical Workshop** | Indian Institute of Embedded Systems | 31/10/2025
- **PCB Design and Fabrication** | Indian Tech Keys | 20/11/2024
- **Circuit Simulation Onramp** | MathWorks | 17/09/2026
- **Wireless Communication Onramp** | MathWorks | 9/09/2026
- **Computer Networking** | simplelearn | Skillup | 9/09/2026
